The Barrel

Spirit Hound Distillers produces hand crafted distilled spirits to mature and eventually bottle for sale in retail outlets and restaurants in Colorado and ultimately throughout the USA. Spirit Hound Distillers is offering to members the opportunity to join into a limited membership offer of a small number of 100% Colorado whisky barrels. This offer provides the member their very own 53-gallon barrel of Spirit Hound Distillers Colorado whisky and exclusive membership into a group of similar minded whisky connoisseurs.

WHAT THE MEMBERSHIP CLUB ENTAILS

Each member of the club guides a barrel from its inception to its bottling. This means the cost of membership in this club includes the barrel itself, ingredients, labor costs, storage fees and appropriate oversight and management of the product. The storage of the barrel will take place in a secure, bonded facility for the maturation period. Once your barrel has matured to 4 years, you, the member will receive 2 cases (12 bottles) of your whisky at no charge and you will be reimbursed in the full amount of your initial membership dues plus a 'Thank You' bonus.

BARREL MEMBERS CLUB

In 2016 Spirit Hound launched our Barrel Membership Program. The program was fully subscribed and very successful. We have been asked many times since why we haven't run the program again – well, now we are... with one significant change: as of 2025, the program will become a club, with members having access to exclusive benefits which are not available to the public.

Details of Membership

Your Barrel Club membership is paid in full at the start of membership. At the end of the program and upon the bottling of your barrel, you will receive payment covering your full membership fee plus a membership bonus equal to 15% of your membership fee.

We offer three Barrel Member options to allow you to sponsor your favorite Spirit Hound Spirit.

FAQs

"How do I know my barrel exists?"

Barrels are identified with unique barrel numbers. Spirit Hound Distillers will audit your barrel annually to verify the barrels exist. Visit regularly and often!

"Can I visit my barrel while it is maturing?"

Absolutely. With advance notice (preferably) we can organize for you to view your barrel, have a taste of your whisky and have a tour of the distillery.

"Is my barrel insured?"

Yes, Spirit Hound Distillers will maintain a comprehensive liability insurance policy to cover the barrel(s) against fire, theft and spoilage.
